

# Super Bowl Squares Fundraiser

## What can I win?

\$1000 will be paid out over the course of the Super Bowl, \$250 each quarter.

## How do I win?

After all squares are sold, but before the game starts, each Row and Column will have a number randomly assigned, 0-9. These numbers will correspond to the ONES digit of each team's score, and winners determined by the final score at the end of each quarter, \$250 per quarter. Completed grid(s), with names randomly assigned will be posted at <https://eaglebaseballclub.net> as they are filled.

## How much does it cost?

Each square costs \$20, and you may purchase as many as you like. Squares are randomly assigned once a grid is filled. More grids will be available, based on demand.

## How do I enter?

Use the Venmo QR code or link below, and be sure to put EBC Squares in the payment details.

<https://venmo.com/u/KevinCMcCullough>

## Where does the rest of the money go?

50% of each square's cost will go to Eagle Baseball Club (EBC) to help its unpaid, volunteer coaches continue to provide equipment, practice facilities, and tournament entry fees so that its players can continue learning, improving, and playing the game they love for as long as possible.

## How do I learn more about EBC Baseball?

Check out our website, Facebook page, and/or talk to any of our great coaches!

<https://eaglebaseballclub.net>

<https://www.facebook.com/share/15NypPhWQt/?mibextid=LQQJ4d>

## Can I donate to the cause without participating in the Super Bowl Squares?

Yes, and thank you! You can use the same Venmo links above, but simply put in the payment details that it is a donation, and not an entry in the Super Bowl Squares.

### Can I pick my exact square?

Yes, if it's not already taken! Requested squares will be awarded on a first come, first served basis. If you choose a square already taken, the nearest square will be given to you instead. Entries submitted with no square number will be randomly assigned after all chosen squares are assigned, but BEFORE the team scores are assigned.

*If you'd like a specific square, please provide the square number (#1 - 100) in your Venmo payment details.*

- The square in the first row, first column is #1.
- The square in the first row, last column is #10.
- The square in the second row, first column is #11.
- The square in the second row, last column is #20.
- (And so on... so the square in the last row, last column is #100).

### Where can I see the grid?

Once completely filled, the grid(s) will be posted on our website (<https://eaglebaseballclub.net>). Thank you for participating!
